PM&R Panels

American Academy of Physical Medicine and Rehabilitation

Gain Insights from Physiatrists. Let AAPM&R help you gain access to your target audience through:

- Surveys
- Market Research
- Advisory Panels
- Focus Groups

How Does PM&R Panels Work?

PM&R Panels is a forum of PM&R physicians based on criteria your organization selects. The American Academy of Physical Medicine and Rehabilitation (AAPM&R) will work with your organization to define goals and identify the appropriate panel(s). The criteria for the panels is based on various data points AAPM&R member physiatrists have selfidentified as part of their member profile. PM&R Panels have a maximum of 500 PM&R physicians. (The panel size is dependent on desired criterion.)

Available Criterion for PM&R Panels:

- In-training PM&R physicians
- Practicing PM&R physicians
- Subspecialty certification
- Years in practice
- Primary practice setting
- Core clinical focus
- Primary clinical areas of care
- Procedures and services

To discuss your needs and how to engage physiatrists, please contact us, corporatesupport@aapmr.org or call (847) 737-6000.

We can help identify your target audience!

Rules & Regulations

- No identifying information will be associated with responses.
- AAPM&R reserves the right to limit the number of surveys distributed in any given month.

aapm

American Academy of Physical Medicine and Rehabilitation

- Follow-up questions such as: "if not, please explain," count as one question.
- Multiple choice questions are limited to 7 response options per question.
- Sponsors are encouraged to provide ranges for answers, when possible, instead of allowing for an open-ended response.
- The maximum number of questions is 10, plus 1 identifying question.
- · The survey will remain open for 2 weeks (including weekends).
- The price includes executive summary in a PDF format, including openended responses.
- Results are for the sponsor's internal use only; no results may be included in externally-published materials without the expressed written consent of the American Academy of Physical Medicine and Rehabilitation (AAPM&R).
- AAPM&R must review and approve all survey materials prior to launch and reserves the right not to initiate the survey.
